Dear Friend of Marian Hall Home:

For many of us, our parents and family members have helped to pave our life's journey. Perhaps your Mother passed on the gift of compassion, or your favorite Aunt taught you how to make that secret family recipe, or your Uncle always lifted you up on his shoulders or your Father taught you the value of hard work.

You can honor or remember these beloved family members by having their names inscribed on a permanent paving brick that will enhance the beauty of our tranquil private grounds and serve as a lasting tribute to your loved ones. The enclosed form tells you how you can participate in this special gift opportunity.

"Precious Memories.....Etched In Our Hearts.....And Now In Stone"

Through your special gift or other donation, you help to extend care to our residents who have little or no financial means. Every day of the year Marian Hall Home cares for an average of 60 loved ones, some of whom can no longer cover the financial cost of their care. It is for this reason that we must rely on our benevolent care fund to support our long term residents. Your donation will help build this fund!

We are offering this memorial celebration of our loved ones, past and present, in two ways. The memorial paving bricks are available in two phases:

Phase 1 – Front Entrance: The parking lot in the main entrance has been modified to include additional parking spaces and a beautiful, serene setting where memorial benches (also available for purchase) and a collection of 8" x 8" pavers will be located. These 8" x 8" pavers are available for purchase at \$250.00 per paver.

Phase 2 – First Floor Patio Area Outside Marian Hall Dining Room: A memorial walkway will be formed with engraved 4" x 8" paving bricks. Memorial benches will also be located along the walkway. These 4" x 8" pavers are available for purchase at \$100.00 per paver. Both areas will be beautifully landscaped with trees, flowers, and a tranquil atmosphere that encourages prayerful celebration of the loved ones that have touched our lives, and continue to touch our lives in so many ways.
